

Howell Arabic Grammar Appendix, Glossary and Index of Subjects Online Navigator

Click appendix range to open an abbreviation within that range and click glossary range to open a term in glossary within that range. In glossary, yellow highlighted is from book 1 and contains more entries but if your entry is not found you may try tan highlighted. For index of subjects, click a range containing the subject you want to study to see topics covering that subject or enter the page number in PDF box to access it offline. Appendix and final additions and corrections also added.
